Please provide **an exhaustive list** of units separately for each subsector split by NACE codes (except for large groups of small units, having the same characteristics/nature (e.g. municipalities, schools, universities, hospitals, NPIs - see below))

For the large groups of small units (as defined above), please indicate just a name of the group (e.g. municipalities) and provide, in the related column, number of units included in the group

Summary lines are to be added/removed according to needs
