Prices of contract work in 2021

In accordance with subsection 8 (3) of the statutes of Statistics Estonia adopted with Regulation No 32 of the Minister of Finance of 27 August 2013, I hereby approve the following price list for contract work:

1. Price for preparation of confidential data to be used at a safe centre:

Processing an application (incl. application for previously prepared data)	447 euros
Using a previously prepared dataset for research	free
Preparing a new dataset (not previously prepared)	675 euros

2. Price for data – i.e. registry code, name and address of unit (excl. local unit), legal status, economic activity (according to EMTAK, which corresponds to NACE), size class based on number of persons employed, and size class based on annual turnover – on economically active legal persons, branches of foreign companies, state and local government agencies and sole proprietors registered in Estonia:

1–9,999 units	1 euro per enterprise
10,000–59,999 units	0.8 euros per enterprise
60,000 and more units	0.6 euros per enterprise.

3. Hourly rates for other contract work:

Work performed by a specialist	27 euros
Work performed by a mid-level specialist	48 euros
Work performed by a senior-level specialist	57 euros
Work performed by an expert	81 euros

The price of contract work depends on the time spent on the task and on complexity. Contract work is not subject to value added tax.

4. The price list for contract work is valid from 1 April 2021 until the end of the year.

5. I hereby appoint Head of Finance Department Viive Aasa to oversee compliance with the directive.
