

As of March 2021, tables indicated under the heading “Vanad tabelid” (Old tables) are no longer updated in the statistical database at andmebaas.stat.ee. The few tables that will still be updated are highlighted in green. Some tables have been combined: the codes of old tables are under “Vanad tabelid” (Old tables) and the new codes of the combined tables are under the heading “Uus tabel” (New table). The tables under “Uus tabel” (New table) will be published in the statistical database at andmed.stat.ee.

No	New table	Old tables	Title
