Please double check the pre-filled fields and correct and fill in the price fields where necessary. If the observed product/service is discontinued or has lost its representativeness in the enterprise's production, replace it with as similar a product/service as possible (e.g. with the same TTL code), write the reason for the replacement in the remarks field and add the new product/service in a new row. If the product/service price differs significantly from the previous month's price, please provide in the remark field a short description of the reasons for the price change (so that we do not have to contact you).
