DATA COLLECTED WITH THE QUESTIONNAIRE

Table 1. PRICES OF WAREHOUSING AND SUPPORT ACTIVITIES FOR TRANSPORTATION

Select 3-5 services of key importance in sales

In this questionnaire, warehouse services are WAREHOUSING (EMTAK 521) and SUPPORT ACTIVITIES FOR TRANSPORTATION (EMTAK 522). In the web form, columns 1, 2, 4 and 7 are pre-filled starting from the February questionnaire. Please double-check the fields of pre-filled columns (1 and 2) and specify where necessary, and fill in the price fields. If the pre-filled service is no longer provided, mark in column 3 "Remark" that provision of the service has been terminated and add a new service in empty row.

1 / 1	Service – service/contract ID	PI_SP_T UNNUS_ 1_1	Service/contract ID – a code that uniquely identifies a contract or service of key importance in the enterprise's sales.	Text

Forwarding services should be described based on the following. If long-term contracts are missing but the enterprise has established routes that recur under as similar circumstances as possible (cargo, mode of transport, point of origin and destination, or distance, factors that determine the final price), mark the route price. Example: forwarding, point of origin A to destination B, cargo X, mode of transport Y – single service price. If the prices of additional services that are included in the transport cost, are separately indicated, they can also be shown separately. The cost of the agency service may be the agency fee agreed with the customer, e.g. % of the cost of intermediated and sold services. Then the conditional service fee is a percentage.	Text	
1 / 3	Service – remark	PI_SP_M ARKUS_ 1_3	If the service provision has been terminated or it has lost its representability in the enterprise's sales, it should be replaced by as similar a service as possible (e.g. from the same group of services), and briefly write the cause of replacement in the remark field. If the price or description of the service differs considerably from that in the previous month, write in the remark field briefly the cause of change.	Text
