For every collection and/or delivery journey, indicate the whole journey on one row. Indicate every unladen journey (without a load) as a separate entry in Table 5. To find a group of goods by name, enter the search word (e.g. fuel). Information on the journeys in the respective survey week is only entered in the table about the vehicles indicated in Table 1. SURVEY WEEK AND VEHICLES. To enter data, click on ADD TABLE ROW. If you have entered data in the pop-up window, click ADD ROW TO THE TABLE, choose CLOSE to close the page. To amend the already entered and saved data, click on the respective row number in the first column – a pop-up window for amending the data will open.
