0. Information for the respondent

The questionnaire is prefilled by the 7th date with data from ARIB.	
If you have saved a questionnaire that is not prefilled but still wish to use prefilling, you must first cancel the questionnaire by clicking "Cancel questionnaire".	
If the data have changed by the time the questionnaire is submitted, specify the data in the prefilled fields and indicate the reason for amendment in the questionnaire period comment field.	
The availability of prefilling in a table is indicated by the darker background colour of the letters (A; B; C etc.) on the menu bar with letters.	
When you have filled in a table and want to check this table, click "Save" and then select "Validate table". This way, it is easier to correct errors in the specific table.	
If you click "Check", the entire questionnaire is checked and the errors in all tables are displayed simultaneously. Use this button when you have filled in all the tables.	
The error message "Warning" indicates possible errors. Please make sure that you have entered the correct data, then click "Accept warnings" and confirm the questionnaire.	
In the absence of values, you do not have to enter 0 (zero) in the fields.	
In case of any questions, please call +372 6259 300 or send an email at mailto:klienditugi@stat.ee	

1. QUARTERLY DATA ON POULTRY
